Re: December GM – Mission, BC

To Membership:

Due to the large number of Douglas First Nation band members we are requesting that you please only bring your immediate family to the December GM in Mission. This is the day that we host our Annual Christmas dinner, so this is a reminder that dinner is provided to immediate family only.

Also starting March 2016 only pre registered cheques will be ready at the GM. Any members who did not pre register will have to wait until the following Friday for their cheque to be processed. Then it will be mailed or deposited only for Scotia bank accounts.

Thank you,

Loretta Stager
Administrator
Douglas First Nation
